GENERAL CONDITIONS :

1. All work shall be carried out as per PWD specifications.
2. GPW form 9 shall be part of the agreement and all conditions shall be binding on the contractor.
3. The quantities worked out in estimate are liable to variation for which no claim whatsoever shall be entertained by the department.
4. The rate shall be inclusive of cost of all materials, royalty, all T & P, octroi, tax, carriage, stacking lead and lift etc.
5. While quoting their rates tenderers are advised to take into account fluctuations in market rates. No claim will be entertained on this account during acceptance of the tender and duration of the contract including extended period for completion of work. Rate should include lead of all material, royalty where payable and water arrangements and all local taxes including sales taxes and other taxes as toll etc.
6. Tenderer are advised to see site of work and acquaint themselves with locality and availability of labour and position of materials, conditions of contract, drawing and specification before tendering.
7. In case of firm, tenders must be signed by each partner or member of the person holding the power of attorney.
8. If required the contractor shall provide at his own expenses accommodation for his employees/labours including adequate sanitary and water supply arrangements.
9. **Contractor should registered their labour in Labour Department, Uttarakhand and 1% Cess should be deducted from each running bill as per Gazette Notification No. 474(2)/VIII/12-35 (Shram)/2011, Dehradun dated 17-05-2012 by Employment Department of Uttarakhand Govt.**
10. **Contractor should submit copy of Income Tax return certificate for last financial year.**
11. All the materials to be used in work shall full-fill physical and other requirements as per the specifications and shall be approved by the engineer-in-charge. The contractor shall make all arrangements and shall provide such facilities as the engineer-in-charge may require for collecting, preparing, forwarding the required number of samples for tests and for testing of material. Nothing extra shall be paid for the above and including cost of materials to be tested. The testing charges if any shall be borne by the department.
12. All materials arranged by the contractor shall be as per P.W.D specification and rejected materials if any will have to be removed by the contractor within three days from the site of the work otherwise these shall be removed from the site of the work by the department itself on contractor's cost. Also a penalty of ` 200/- per day shall be imposed till the materials are removed from the site by the Contractor.
13. An order book will be kept at the site of the work in which instruction shall be rendered by Eng.-in-charge or his representative. The contractor or authorized agent will be required to sign the order book daily for acknowledgement of the instruction. It is the responsibility of the contractor to examine the register and if he doesn't it shall be deemed to have been communicated to him.
14. The contractor should install at his own cost necessary water pumps, concrete mixer, pug mil machine conveyer and provide necessary vibrates suitable for R.C.C. work and this will be covered by his rates for respective items. In case of certain mechanical T&P etc. is available with the Deptt. The same may be issued at the discretion of Secretary as existing rule/rates of the deptt..
15. The contractor will have to intimate in writing to the Eng. I/C his program of laying slab and other important items of work at least 8 days before the commencement of laying so that the Engr. I/C may be able to check his program of supervision of the work. Any such items laid in the absence of Engr. I/C shall be rejected and the contractor will have to do the work again at his own cost. The work of reinforcement shall have to be got examined, by the Engr. I/C before deciding the date of the laying concrete.

16. As soon as the tender is accepted the contractor shall have to notify the name of his two authorized representative one of whom will always be available at site of work and the other for issue of materials and other misc. works. The contractor shall be responsible for the materials and order received by these two agents.
17. Any claims arising out during the period of contract will be submitted in writing as per the time line defined in GPW form 9 when such claims arise failing which the claims may not be entertained.
18. On completion, site of the work will be dressed and cleared all earth and waste materials etc by the contractor.
19. The contractor shall give his complete postal address below at the place specified for the purpose. Any changes in his postal address be intimated to authority receiving the tender. In case any communication dispatched to his given address is received back undelivered then in that case contents of the letter shall be binding on the contractor.
20. The earnest money for the tender may be in the form of N.S.C./F.D.R. which should be ***pledged in favour of Secretary, District Level Development Authority, U.S Nagar. The tender without proper earnest money and without a Non Judicial Stamp paper of ` 100/- affix one Rupee revenue stamp on it and signed by the tenderer for the validity of tender will not be considered.***
21. District Level Development Authority (DLDA), U.S Nagar reserves the right to accept/reject any or all tenders without assigning any reason thereof.
22. One contractor or firm of the contractors should submit not more than one tender.
23. Power is reserved to accept tender for part work only and in such cases time for completion will be reduced to the extent considered reasonable by the accepting authority.
24. Contractors are not allowed to make any additions or alterations in tender papers. If any one does so the same will not be considered or the tender will be rejected.
25. That the DLDA, U.S Nagar on satisfactory completion of the construction work shall make final payment as per M.B. and amount of 5% of the estimated cost will be deducted subsequently from running bills. The amount of security money shall, if not withheld on account of breach of contract be refunded after six months of the date of completion of the work or after payment of the final bill, whichever is later subject to the condition that in case of building works the first rainy season comprising of months of June, August and September is not fully covered within the period of six months mentioned above. The amount of security money, if not withheld on account of breach of contract, be returned after expiry of the first rainy season comprising of the months mentioned above or after the payment of the final bill whichever is later.
26. That in case of any dispute between the DLDA, U.S Nagar and the Contractors as regards construction, arising from the terms and conditions of this deed, the dispute shall be referred to Arbitrator as per the provisions of the Arbitration and Conciliation Act, 1996, AND the Arbitrator shall be the "Vice Chairman, DLDA, U.S Nagar" whose decision shall be final and binding on both the parties.
27. Performance security shall be applicable as per G.O. No. 6447 dated 02-01-2013 and according to Uttarakhand Procurement Rule.
